**Award Scheme
for
National Awards for e-Governance
2023**

**Department of Administrative Reforms
&
Public Grievances**

**Government of India
New Delhi**

National Awards for e-Governance are presented every year to recognize and promote excellence in implementation of e-Governance initiatives.

1. Purpose of Award

The purpose of the award is to:-

- i. Recognize achievements in the area of e-Governance
- ii. Disseminate knowledge on effective methods of designing and implementing sustainable e-Governance initiatives
- iii. Encourage innovations in successful e-Governance solutions
- iv. Promote and exchange experiences in solving problems, mitigating risks, resolving issues and planning for success.

2. Scope of Award

The scope of the National Awards for e-Governance, 2023 (NAeG, 2023) is to identify areas of significant outcome-oriented performance by Districts/ Centre/States in identified categories. The Awards seek to recognize the best performing Central Government Ministries/Departments; States/UTs; Districts and local bodies; Academic/Research Institutions (Government and Non-Government) and Startups in facilitating implementation of new initiatives and bringing transparency by use of technology.

The NAeG, 2023 Awards will be presented for the best achievement in implementation of e-Governance innovation and the efforts made to fast track the implementation of an initiative/ technology/project or program.

3. Criteria for Evaluation

The initiative will be evaluated on the following criteria:

- i. Initiating and implementing an innovative project to meet stakeholders' requirement through use of ICT
- ii. Use of technology in bringing perceptible improvement in processes/ systems
- iii. Making public delivery systems responsive, transparent and efficient particularly by leveraging technology
- iv. Bringing significant improvement/enhancement by use of technology
- v. Innovations / integration / intervention of technology / of the best performing Centre/State/District in a particular field/ project/program or area. The criteria for evaluation will be designed during the assessment process.
