

Major International Event in India in the field Public Administration
Annual Conference of the International Institute of Administrative Science (IIAS) will be organized jointly with DARPG
Registration for the Conference is open now
<https://iias-iisa.org/iias-darpg-indiaconference2025/>

The Annual Conference of the International Institute of Administrative Science (IIAS) will be organized jointly with the Department of Administrative Reforms and Public Grievances (DARPG), Ministry of Personnel, Public Grievances & Pensions, Government of India from 10-14 February, 2025 at Bharat Mandapam, New Delhi. The event is a 05 day conference and is likely to be attended by 500-600 national and international delegates.

This is the most important international event going to be organized in India in the field of Public Administration. This conference will facilitate knowledge sharing with international scholars in the field of reforms and innovations in Public Administration and Public Governance in India and in the world.

The collaborative event will be an opportunity for all Universities and other Institutions, students, scholars, lecturers, and practitioners of the country working in the field of Public Administration, Public Policies & Services and Governance to present their work before the international Forum. The IIAS-DARPG India Conference 2025 is built on the premise that future administrative reforms should emphasize greater civil society participation and prioritize public service delivery as a core state function.

Hence, you are requested to participate in the conference and also encourage Academicians/Scholars/Researchers working in the field of Public Administration, Policy and Administrative Reforms of your Institution to participate and showcase their ideas and research work in this prestigious International Event.

Now, the registration process for the conference has been started. A conference website has been launched by the IIAS for this purpose. All the required information regarding conference registration, call-for papers, guidelines for presenters and submission of the papers in the conference have been given in the website. The call for papers is open until November 1st, 2024. Website link is given below: -
