<b>Summary/Objective of the project</b>	<p>Lakshadweep is a set of 36 coral lagoon islands having a population across 10 inhabited islands. The LBDB has offices located at all of the 10 inhabited islands with head quarter at Kavaratti. The Material is supplied to each island directly from the mainland. The demand differs according to population, area, the maturity level of island in terms of infrastructure. The biggest challenges for Building Development Board is: 1. streamline activity, ensure hassle free availability of materials 2. as per demand on time and 3. in the most cost effective &amp; transparent manner possible.
