

## Project Details: NAeG/14-15/00041

<b>Project id -</b>	NAeG/14-15/00041
<b>Name of The Project</b>	DRDO Website - Innovative Use of Technology in E Governance
<b>Category of Award Applying for</b>	Innovative Use of Technology in e-Governance
<b>Date of Launch</b>	26-06-2012
<b>Summary/Objective of the project</b>	<p>The DRDO website is a large website which consists of more than 15000 web pages as a whole (including the Hindi version). The website is fully bilingual (English and Hindi). The DRDO website has been developed in such a way so that it enables more than 71 different Units/Directorates of DRDO, scattered all over India, to upload content on a central location maintaining a consistent look and feel of the website</p> <p>The DRDO website is providing relevant information to its employees and defence organizations and it is enhancing the transparency &amp; goodwill among its users. This Website has been providing useful and relevant contents to researchers, students, academicians, business houses and common citizens uniformly in a categorized and transparent format. Due to its easy accessibility, clarity of information and relevant contents, it remains one of the most visited Government websites. This is confirmed by the statistics of NIC which places it consistently among the top most visited Government websites. . All tenders and procurement documents are also published on the drdo website for industry purpose. DRDO website is providing the outstanding content for their research and development of many products. It also provides the images and videos of the products. It gives the knowledge of recruitments and training to the students. DRDO publication like DRDO Samachar, Newsletter etc is also there to give knowledge of current events of DRDO. DRDO website is providing its regular updates to Defence services including Indian Army, Navy and Airforce</p>
