Summary/Objective of the project	Gujarat is well known for its Gir Lion Sanctuary, where every year more than 1 Lac tourists visit Lion Safari/Devaliya Park. The numbers of permits are limited on per day basis to visit Lion safari, due to this every visitor has to come in person for applying permit. In a pick season many times visitors are not getting permits due to heavy rush. Moreover, foreigners cannot plan their travel in advance. To overcome these issues Gujarat State Lion Conservative Society (GSLCS) has introduced online permit booking system with payment gateway integration. Basic idea is visitor needs to visit www.girlion.in portal to check availability of permit and can pay the permit fees online. Visitors account will automatically created and email will intimated for the further instructions. SMS alert will also be sent to visitor for his permit details. At the time of physical visit, visitor has to show the mentioned identity proof and can easily enjoy his/her assured Lion safari. GSLCS is now equipped with automatic alerts in case of heavy rush of visitors so necessary measures can be taken in advance. Moreover, visitors can be intimated easily in advance in case of any emergency. Advance business intelligence system helps GSLCS to decide any further action plan according to data statics.
