<b>Date of Launch</b>	04-09-2012
<b>Summary/Objective of the project</b>	<p>To provide totally cashless tertiary care treatment to BPL population for catastrophic diseases, the Government of Gujarat launched a health protection and medical care scheme called Mukhyamantri Amrutam MA Yojana in September 2012. The objective of the scheme is to improve access of BPL families to quality tertiary medical and surgical care for the treatment of identified diseases involving hospitalization, surgeries and therapies through an empanelled network of health care providers. Thus, the Scheme aims to reduce the economic burden of the BPL population of the State by offering them health protection against massive expenditures arising out of catastrophic health shocks. This is a 100% State funded Scheme. A total of 2.1 Million BPL families have been enrolled so far. A total of 34,521 Claims for treatment episodes have been received so far with an average of 60 to 70 pre-authorization claims per day. Till date over 69 Crore Rupees have been paid to network hospitals in claims amount. A 24x7 helpline has also been set up for the assistance of the beneficiaries. This helpline service receives about 300 calls requiring assistance in a day. A dedicated website <a href="http://www.magujarat.com">www.magujarat.com</a> has been developed for easy public access of information related to the Scheme.</p>
