Project Details: NAeG/14-15/00147

Project id -	NAeG/14-15/00147
Name of The Project	Project Management Information System(PMIS)
Category of Award Applying for	Innovative Use of ICT by State Government PSUs/ Cooperatives/Federations/Societies
Date of Launch	25-05-2013
Summary/Objective of the project	Corporation is to construct safe, against natural Hazards (such as earthquake, flood, storm, fire etc.), Eco-Friendly and Energy efficient Green Buildings as per provisions of relevant code certified by ISO measurement. The heritage and legacy of the building designs are being taken care of through efficient and skilled engineers, architects, interior designers etc. Projects as well as financial works maintained and controlled by our Online Project Management Information System (PMIS) and Government Financial Accounting System (GFACTS). The works of all nine divisional units are linked with PMIS & GFACTS. Tendering & E-Procurement process enhances the work quality of the projects. Corporation website uses special features to make surfing possible for the disable, including those with visual and hearing impairment. PMIS helps to achieve the above objective by establishing the proper coordination between client, main beneficiary and the authority who is responsible for the implementation of the project. It serves also to solve the technical, social and environmental problems instantly from actual work site. This system also helps in online transaction for the project. It gives the complete information regarding the progress of the project (Financial and Physical) at any time to any level including client and beneficiary. In this way this system always guide and help to improve the working and quality of the project .The transparency and communication is 100% achieved to the satisfaction of client by using this system. During implementation of project on line technical guide line is passed to the lowest level implementing officer directly at site.
Beneficiary of the project	Our beneficiaries Various Departments & Corporation of the Govt. of Bihar such as a)Dept. of Agriculture. b)Food & Consumer Protection. c)Dept. of Health. d)Art, Culture & Youth Dept. e)Social welfare Dept. f)SC/ST welfare Dept. g)Bihar State Seed Corporation Ltd. h)Revenue and Land Reforms Dept. i)Law Dept. j)Science & Tech. Dept. k)Dept. of Minority. l)Dept. of Industry. m)Road & Construction Dept. n)BCECE Board. o) Rural development Dept. p)Civil Aviation Directorate etc. Generally we provide four types of services directly/CSC such as Construction, Maintenance, Renovation and Social welfare. Our main beneficiary of different project is all district and blocks of the Bihar. Since we are implementing the various project keeping following points of view 1. Excellent Building Infrastructure, 2. Deliver project on Time, 3. Minimum Cost Price. In this way we serve the entire beneficiary directly and indirectly attached with projects. We have completed 201 community health centers in different blocks of Bihar. Main beneficiary of these CHC is poor people of Bihar. We have also constructed grain godowns of different capacity in different district of Bihar which serves to store the valuable food grain of the people. We are doing the heritage building conservation work in different districts of Bihar which preserve our ancient cultural resources.
