Project id -	NAeG/14-15/00011
Name of The Project	Public Interface of Waqf Management System of India
Category of Award Applying for	Innovative use of GIS Technology in eGovernance
Date of Launch	01-06-2013
Summary/Objective of the project	<p>An On-line System for searching the Waqf Properties in any part of India & their Current Status through URL http://wamsi.nic.in/. GIS capabilities has been introduced by means of GPS Coordinates of the the vertices of Waqf Properties over the Historical Satellite Imageries to detect the encroachment (if any) over the period of time, which was a very difficult & challenging task in the manual system. Now, with the use of GIS technologies in Waqf Management System of India, any stakeholder can keep track of changes on the ground, by few clicks of the button on Internet. Any citizen interested to know the Waqf Properties, their Current Status, Revenue Generated, Welfare Measures taken out of the Revenue, etc. Since the System is seamlessly taking the data from a centralized on-line work-flow based system running in various State/UT Waqf Boards, So, the information rendered in this System will always be current and up-to-date.</p>
