<b>Summary/Objective of the project</b>	<p>NWCMC has embarked upon the National EGovernance plan for introduction of IT and eGovernance in the local body. The Proposed Integrated EGovernance initiative seeks to redefine governance in municipalities with the focus on citizens. The vision of the project is to establish people centered, responsive, financially sound, well governed, viable and sustainable municipalities, touching upon the lives of the citizens. Specifically, NWCMC seeks to use the proposed eGovernance solution, as the primary delivery channel to provide a single, easy, secure, integrated, and reliable means of access to municipal information and services in order to continuously improve the quality of services provided to residents and businesses in Nanded. The mission of the project is to provide a unified information communication technology platform for transparency and participative good governance. The Mission is seen as a method of applying Information technology to sort the problems faced so far making good the deficiencies and filling up gaps. It is also seen as a critical instrument for upgrading the quality of the service deliverables across NWCMC. The objective of E Governance Mission is to arrive at an integrated application suite by way of redeveloping and enhancing few of the existing modules, addition of few departmental activities by way of completely new software application covering all aspects of urban local body functioning, which can facilitate efficient and effective eGovernance. The mandate of the project is to consolidate the learning and achievements and the previous implementation of the EGovernance applications to reposition the mission group and its program strategically among the stake holders, and eventually to radically transform the government to citizen (G2C) and Government to Business (G2B) in the Nanded Waghala precinct.</p> <p>Direct beneficiaries of this project are the employees, officers, stakeholders and service providers of the Corporation whereas citizens of NWCMC are the indirect beneficiaries.</p>
