

Project Details: NAeG/14-15/00070

Project id -	NAeG/14-15/00070
Name of The Project	e-Services at R&DE(E) - Mayurpankh
Category of Award Applying for	Excellence in Government Process Re-engineering
Date of Launch	03-09-2012
Summary/Objective of the project	R&DE(E) Pune an establishment under the DRDO has been involved in development of engineering systems primarily for the Armed Forces as well as other Paramilitary Forces. After five decades of pioneering work in establishing technology base in collaboration with engineering industry and academic institutions, R&DE(E) is acknowledged as the leading work-center for equipping our defence forces with advanced engineering equipment. Mayurpankh i.e. providing number of e-services via single entry point. It is an initiative to make R&DE(E) a paperless office by automating the manual processes. The objective of Mayurpankh is to provide smart, user friendly, efficient and effective governance facilitated by technology. The initiative involves improved efficiency, transparency and accountability of all the services, management of all the assets through virtualized environment. Mayurpankh has greatly helped in achieving these goals
