

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

NAME OF CATEGORY- BEST DISTRICT LEVEL INITIATIVE IN CITIZEN CENTRIC SERVICE DELIVERY THROUGH ICT:

1. Coverage – Geographical and Demographic :-

(i) Comprehensiveness of reach of delivery centres,

Lok Seva Kendra

(ii) Number of delivery centres

08

(iii) Geographical

(a) National level – Number of State covered

(b) State/UT level- Number of District covered

(c) District level- Number of Blocks covered

08

Please give specific details:-

It is essential that the services of the government should be provided through the gradual stages of E-Governance. The Seoni District is doing well in E-governance with a common goal “providing better Citizen Services with ICT enabled service Delivery”. **Instead of going for investing time and energy for implementing e-governance initiatives for short term we have supported Government Information Systems to provide actual benefit to the stakeholders of the department and citizen of the district, This move towards e-Government has delivered tangible benefits to the department and citizen of the district.** Advancing ICT-enabled public services delivery mechanism is the goal of district administration including ICT infrastructure development.

Seoni district has implemented various state levels Information system with flying colors such as E-Uparjan for (Paddy & wheat), MP E-district, SAMAGRA Portal, Landrecords, SECC, NADRS etc. this has benefitted the concern department and citizen of district in service access. Public Services Grievance monitoring, Jansunwai and TL paper are being monitored through an online software and matters are disposed with concern field level officer using desktop VC. We have Identified e-Government Solutions for efficient administration and friendly public service delivery up to the block level by implementing video conferencing for day to day monitoring of schemes and public grievances redressal.

We have implemented various state mission mode projects on priority basis with ensured Involvement of CSC's at greater extent in implementation of e-governance project. Every village in the district is getting ICT service directly either through

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

government office or Lok Seva kendra/CSC. Due to successful implementation of the projects the overall service delivery mechanism has changed. Many established process of service delivery is now a part of history. Time, energy and money have been saved due to availability of services at the door steps of the villagers with greater transparency and reduction in no of visits of the citizen.

(iv) Demographic spread (percentage of population covered)

100%

2. Situation Before the Initiative (Bottlenecks, Challenges, constraints etc with specific details as to what triggered the Organization to conceptualize this project):

Initiative taken by state government and implemented in the district

3. Scope of Services Covered(Number, extent and list of services made ICT enabled – extent to which a service is e-enabled may be one of the four criteria's (a) Service is requested through electronic means including mobile devices – Front-end is electronic, (b) Workflow/approval process is electronic, (c) Database is electronic/digitized, (d) Service delivery is electronic

Population data was prepared and Workflow/approval process is electronic for distribution of pension and scholarship

4. Stakeholder Consultation(Give details about type of stakeholders consulted, number of stakeholders consulted stages at which stakeholder input was sought, any user satisfaction study done etc. #)

1. Government Department i.e. social welfare, education, Food & Civil Supply

2. Citizen of district Seoni, Students,

3. Farmers

5. Innovations (Give details on the extent to which initiative/project is unique in purpose/goal, compared to other common e-governance projects , give details about the new processes / new activities, new steps , ICT interventions, administrative process reforms, any use of new & emerging technology functionalities introduced into the system, identification & removal of any bottlenecks / give details irrelevant steps, Comparative with Original Project (Provide a comparative analysis about how

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

is this project similar / different in services provided, design, functionality, technology, platform etc from the original project).

Web based system, Initiative taken by state government and implemented in the district

6. Strategy Adopted

(i) The details of base line study done,

Past experience is the base for implementing the programme

(ii) Problems identified,

Manual process was prone to errors and time consuming

(iii) Roll out/implementation model,

Phased rollout

(iv) Communication and dissemination strategy and approach used.):

Thorough review meeting and instruction and press notes

7. Technology Platform used-

(i) Description,

Web Based application mostly in .NET technology

(ii) Interoperability

Windows based

(iii) Security concerns

State Government has the custody of application and data in secure environment with security audit

(iv) Any issue with the technology used

none

(v) Service level Agreements(SLAs) (Give details about presence of SLA, whether documented, whether referred etc. #)

none

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

8. Citizen Centricity & Relevance (Give specific details on the following#)

(i) Impact on effort, time and cost incurred by user,

The assessment of various eGovernment projects in district covering services (E-district 52 services, SAMGRA social pension and food security act 2013, scholarship and many more given at www.sssm.gov.in), indicated that by and large citizens have experienced benefits in terms of number of trips, waiting time, elapsed time. All these elements make up the total cost incurred by a citizen in accessing Government services is less than manual delivery. The impact of ICT enabled service delivery projects can be easily observed in the district which indicated the features of all projects have been exploited in full potential of ICTs and have gained to replicate best practices.

(ii) Feedback/grievance redressal mechanism,

By Chaupal program at village level

(iii) Audit Trails,

No audit perform

(iv) Interactive platform for service delivery,

Interactive platform provided under MP Public service guarantee act for service delivery

9. Adaptability and Scalability (Give details about Local language support, ability to leverage shared NeGP infrastructure, Standardization of technology used (hardware, software, application etc. #), envisage future enhancements/plans)

All project initiative by state government have been implemented and best uses of infrastructure under NeGP.

10. Adaptability Analysis

(i) Measures to ensure adaptability and scalability

Already implemented in all district MP

(ii) Measures to ensure replicability

Already implemented in all district MP

(iii) Restrictions, if any, in replication and or scalability

Already implemented in all district MP

(iv) Risk Analysis

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

None

11. Efficiency Enhancement (Give specific details about the following #)

- (i) Volume of transactions processed,

More than 20 lakhs

- (ii) Coping with transaction volume growth

NA

- (iii) Time taken to process transactions,

As per the specified time in service guarantee act

- (iv) Accuracy of output,

100%

- (v) Number of delays in service delivery

3%

12. Accessibility (Give details about how following has been enhanced: user accessibility, transparency in system, single-window resolution, ease of navigation; impact on service response time, number of visits required for accomplishing the task before and after automation, Communication e-mail, SMS, web based tracking, etc.)

Transparency in system has increased tremendously and utilization of funds and reduction in bogus, ghost and fake beneficiaries after implementation of the SAMGRA and E- Uparjan Lok Seva etc.

13. User convenience (Give specific details about the followings #)

- (i) Service delivery channels (Web, email, SMS etc.)

Web, sms

- (ii) Completeness of information provided to the users,

100%

- (iii) Accessibility (Time Window),

In all working hours

- (iv) Distance required to travel to Access Points

Up to block level and some are online

- (v) Facility for online/offline download and online submission of forms,

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

yes

(vi) status tracking

Through web and sms

14. Sustainability (Give details about sustainability w.r.t. technology (technology used, user privacy, security of information shared – Digital Encryption etc. #), Organization (hiring trained staff, training etc. #), financial (Scope for revenue generation etc. #))

Totally government owned 100 % sustainable

15. Ease of transaction(Give details about method deployed to educate user on how to avail service, security of data shared by user(if applicable), completeness of information provided, Linkages for financial processes (if applicable), etc. #)

Through CSC and Chaupal programme at village level

16. Appropriateness of context and degree of localization(Give details about degree of localization i.e. local language interface, database support etc. relevance of content, etc. #)

Local language support

17. Cost effectiveness (Give details about impact on cost incurred w.r.t. overhead cost, direct and indirect cost, man days/man hour required to do a job etc.#)

No overhead cost

18.

Number of users and services(Give details about frequency of services used in last 01 year, number of visitors, number of unique visitors, number of users etc. #)

More than 2 lakh

19. Benefits Accrued / Impact assessment (Give a comparative Analysis of pre- & Post- implementation in terms of (a) Service Access points, (b) service charges paid by user, (c) travel cost, (d) indirect cost incurred by user, (e) comprehensiveness of service/information provided, (f) distance required to travel, (g) mode of service delivery, (h) citizen charter (time to deliver the service), (i) Green e-Governance

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

(power & paper consumption, disposal of e-Waste etc.), (j) revenue collection, (k) Capacity Building (No. Of persons trained) etc.)

All department employee around 5000 has been trained

20. Result Achieved/ Value Delivered to the beneficiary of the project-(share the results, matrices, key learning's, feedback and stakeholders statements that show a positive difference is being made etc):

(i) To organization

NA

(ii) To citizen

NA

(iii) Other stakeholders

NA

21. Extent to which the Objective of the Project is fulfilled-(benefit to the target audience i.e.G2G, G2C, G2B, G2E or any other, size and category of population/stakeholder benefited etc):

22. Comparative Analysis of earlier Vs new system with respect to the BPR, Change Management, Outcome/benefit, Change in legal system, rules and regulations

none

23. Other distinctive features/ accomplishments of the project:

1.Given in next pages

This is just an indicative list of indicators. Applicant can add on more information based on suitability of the project nominated.

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

A Brief Note on Activities and IT Infrastructure Available in the District

The SAMGRA Portal implemented in the district and completed 99.89% data entry within the target date. Seoni is the first district where online sanctioning and disbursal of social security pension inaugurated by Hon'ble Chief Minister of Madhya Pradesh.

District Education Portal:

The Headstart and MP education portal <http://www.educationportal.mp.gov.in/default.aspx> has changed the tradition of government education system. This computer-enabled education in government school is an indicator of computer penetration in our rural social environment which is a good example of collaborative learning.

Report Disease through

☐ Web ☒ SMS ☐ E-mail ☐ IVRS

SMS

The steps involved for reporting a disease through SMS are as follows:

Any user reporting a disease for the first time has to register with the NADRS system initially. User can register to the system by sending SMS.

1. For Registration send SMS in the following format to NADRS Mobile no. : +919246280027

NADRS reg,(Name),(State name),(District Name),(Block Name),(Village Name)

Example

NADRS reg,your name,Gujarat,Gandhinagar,rupal,rupal

Once the message is sent successfully, you will get a message from system as given below -

"You are registered with NADRS"

2. For reporting disease send SMS in the following format to NADRS Mobile no. : +919246280027

NADRS (Message Text)

Example

NADRS Sours on mouth and feet of my cow

Once the message is sent successfully, you will get a message from system as given below -

"Your case has been registered with NADRS"

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

Mukhyamantri Teerth-Darshan Yojna

The State Government will assist senior citizens above 60 years of age to undertake pilgrimage to one of the prescribed pilgrimage centres once in lifetime. The pilgrims will be sent under the package of IRCTC (Railways).

Eligibility

Pilgrim must be over 60 years of age and a domicile of Madhya Pradesh. He must not be a taxpayer and should not have taken benefit of Teerth-Darshan Yojna earlier. Pilgrim should be physically and mentally sound to undertake journey and should not be suffering from any communicable disease like TB, difficulty in breathing, heart disease, leprosy etc. Applicant providing false information and hiding facts can be deprived of benefit under the scheme anytime.

Application process

A senior citizen desirous to avail benefit of Teerth-Darshan Yojna should fill up application in prescribed proforma in two copies and submit the same at nearest tahsil or sub-tahsil before the prescribed time-limit. Photo and address proof should be affixed to application. Ration card, driving licence, electricity bill, voter's identity card or any other evidence recognised by the State Government will be accepted as address proof.

Under the scheme, an attendant can also accompany pilgrim above 65 years of age. If one of the spouses is selected, his or her life partner can also go on pilgrimage. The life partner can undertake pilgrimage even if he or she is less

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

than 60 years of age. Application of life partner will have to be submitted simultaneously. Similarly, attendant's application should also be submitted simultaneously.

If senior citizens submit application in group, then entire group will be regarded as one application and selected in lottery. One group can consist of maximum 25 applicants including attendants.

Selection process

Selection of pilgrims will be made by collector. First, applications will be sorted place-wise. Selection will be made through lottery if applications outnumber quota. A waiting list of 10 percent quota will also be chalked out.

If pilgrims desire to avail any other facility than prescribed by the government during journey, then they will have to make payment for the same. Carrying any inflammable or intoxicating material or jewellery will not be allowed. The State Government will not be responsible for any accident during the journey.

17 pilgrimage centres under scheme

At present, the State Government has selected Shri Badrinath, Shri Kedarnath, Shri Jagannath Puri, Shri Dwarika Ji, Haridwar, Amarnath, Vaishno Devi, Shridi, Tirupati, Ajmer Sharif, Kashi, Amritsar, Rameshwaram, Sammed Shikhar, Shravan Belgola and Velankani Church, Nagapattinam as pilgrimages under the scheme.

Pilgrim Selector Software.

Objective: Software is developed to select pilgrims for Mukhyamantri Teerth-Darshan Yojna in transparent manner.

To identify the eligible pilgrim on age basis and other important condition as given notification.

To keep track of pilgrim who have taken benefit of Teerth Darshan Yojna.

To generate various reports for office and public use.

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

To generate a text file for sending SMS through NIC's quick SMS facility.

To adopt a transparent process to select pilgrims as mentioned in the notification.

Software was needed for select pilgrims under Mukhyamantri Teerth-Darshan Yojna. Pilgrim must be over 60 years of age and a domicile of Madhya Pradesh. He must not be a taxpayer and should not have taken benefit of Teerth-Darshan Yojna earlier. Pilgrim must have good health. A senior citizen desirous to avail benefit of Teerth-Darshan Yojna should fill up application in prescribed format in two copies and submit the same at nearest tehsil or sub-tehsil before the prescribed time-limit.

Selection of pilgrims will be made through lottery if applications outnumber quota. A waiting list of 10 percent quota will also be chalked out.

At present, the State Government has selected Shri Badrinath, Shri Kedarnath, Shri Jagannath Puri, Shri Dwarika Ji, Haridwar, Amarnath, Vaishno Devi, Shridi, Tirupati, Ajmer Sharif, Kashi, Amritsar, Rameshwaram, Sammed Shikhar, Shravan Belgola and Velankani Church, Nagapattinam as pilgrimages under the scheme.

To select pilgrims by computer using randomization technics for transparency, Seoni District NIC developed software to select pilgrims randomly.

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

First step is to verify about the applicant if has already taken benefit the scheme which primarily done at tehsil level and by EPIC no at Computer. Coding of individual, Pair, Groups are done by tahsil as decided in input format. After

that randomization get perform. For selection of pilgrimages randomly, we have to input how many pilgrims have to select and no. of waiting.

After inputting all details in software it selects pilgrims and waiting pilgrimages randomly.

Using this software we generate list for Rameshwaram-390+460, Ajmer-94, Amrutsar-4,

Dwarka-215 +265, Gaya-54, Nagapattanm-14, tirupati-270+200. Total = 1966

Sometimes the schedule of Yatra comes at very short notice in this situation collecting information is the biggest challenge. The list of unselected person made available to Tahsildar for getting consent of interested person for proposed new schedule if agree than the person included in new randomization.

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

Using this software selection of 1966 pilgrims has been done successfully with transparency.

Hardware Resources and LAN Connectivity:

34Mbps BSNL Lease line OFC connectivity has been provided at NIC District Centre. 55 New computers with UPS and printers were procured from MPSEDC and issued in July 2012 to various important section of Collectorate and Tahsil office for process automation of service delivery. Hub/Switches have been installed at different locations in the Collectorate. LAN has been established at Collectorate Campus connecting all sections of collectorate, Lok Seva kendra S.P. office and Public Grievance Cell, SDM, Tehsil, Forest etc. Offices have been connected with LAN with internet. Forest office and Department of Post have been connected with NIC Seoni through BSNL 2MBPS lease lines.

All the blocks, Tahsil office are connected through SWAN and Broadband. All POPs of SWAN at DHQ and BHQ are in working and horizontal connectivity are given in tehsil and Lok Seva Kendra, Janpad Office. District treasury and sub two sub treasuries are connected through SWAN. One Border Check post and commercial tax office are also connected. The weekly Desktop VC are done through SWAN, SWAN connectivity has brought enormous changes in DHQ and BHQ level official interaction level and frequency using ICT. SSSM data entry, MIS work related to MNREGA, and other MIS running by Rural Development department are being done through SWAN. E-uparjan runner data upload is being done using SWAN network from Blocks/Tahsil office

Common Service Centres (CSCs) in District.

Total 217 CSC are functional in the district. CSCs are very much helpful in implementing new E-Governance applications (mostly G2C) launched by the Government in helping citizens immediately such as Higher Education Loan, Online Counseling, E-scholarship. Registration of citizen Grievances at www.mpsamadhan.org Form downloading, submissions Bill payments (water, electricity, telecom, LIC premiums etc) & tax collection and e-filing. IT services (Printing, Scanning, DTP, Surfing of government website such as land records,

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

other departmental websites for employee's student, farmers etc.) Telecom Services (PCO, Post-paid/pre-paid connections, mobile phone sales) Commercial Services (Matrimonial, Astrology, Bio-data, Photocopy etc.) CSCs are working as citizen interface points in all e-governance initiative either from Government or of district. We always focus on utilizing the CSCs for information dissemination, Data Collection/ Data entry. SECC and SSSM are the suitable example where we have engaged trained man power from CSCs to complete the huge task of data entry.

E-Mail Communication, SMS & Unicode:

Official communication within district and outside is mostly depending on email, every office of almost all departments have been facilitated with email ids mostly in NIC mail server. E-mail communication is being used extensively for reliable, easy, fast, and cost effective dissemination of information. NIC Quick SMS has become an integral part of daily work where an urgent alert to be fired on individuals mobile and results were very encouraging in projects implemented Viz. E-uparjan, SSSM, Agricultural Information by KVK/ATMA/DDA and election office.

Training was given on use of Website www.tdil.mit.gov.in for downloading the UNICODE typing tools in the district. Office orders and letters within the district for implementing government schemes are being written using Unicode Hindi font. The impact of training and 10 minutes discussion with department officials on structured approach to identify what and how the "e-enablement" should take place, at weekly TL meeting can be seen at online application for monitoring TL and Jansunwai. Every District office writes the follow up on the website in Unicode Hindi font

E- Governance Awards already received at State / National Level:

Seoni district has received various prestigious award in past and the endeavour to get new award is continue. Best E-govern District 2012-13, Best E-govern District 2007-08 By DIT/MAPIT MP Best E-Govern district 2009-10 By DIT/MAPIT MP Best Project "IT for Masses " 2010-11 By DIT/MAPIT MP Best

AWARDS SCHEME FOR EXEMPLARY IMPLEMENTATION OF e-GOVERNANCE INITIATIVES

Jury Award for E-district initiative 2011 by E-world Awards maximum contribution for Armed Forces Flag Day 2011.
